

Are you covered for a big claim? Consider LAWPRO Excess Insurance

With your Law Society insurance renewing January 1, it is a good time to consider your firm's excess needs. Remember that the limits on LAWPRO's primary program are \$1 million per claim/\$2 million in the aggregate.

Could any of your matters lead to a malpractice claim of more than \$1 million? Don't forget to include defence costs and pre-judgment interest. And remember, you can be held liable for the work of partners, associates, employees and others.

LAWPRO has you covered as we offer excess limits ranging from \$1 million per claim/in the aggregate to \$9 million per claim/in the aggregate.

There are benefits to getting your excess insurance from LAWPRO. Our Excess program builds on the primary program, minimizing the possibility of gaps in coverage because of inconsistencies between the two policies. It can reduce delays and avoid potential disputes between insurers. As reporting a claim with LAWPRO automatically triggers both primary and excess coverage, you also eliminate the worry that you could be denied excess coverage because you forgot to report promptly to all insurers.

LAWPRO Magazine is published by Lawyers' Professional Indemnity Company (LAWPRO) to update practitioners about LAWPRO's activities and insurance programs, and to provide practical advice on ways lawyers can minimize their exposure to malpractice claims. The material presented does not establish, report, or create the standard of care for lawyers. The material is not a complete analysis of any of the topics covered, and readers should conduct their own appropriate legal research.

The comments in this publication are intended as a general description of the insurance and services available to qualified customers through LAWPRO. Your policy is the contract that specifically and fully describes your coverage and nothing stated here revises or amends the policy.
