About the Authors	xv
Acknowledgements	xix
Preface to the Third Edition	xxi
Introduction	xxiii
Chapter 1: Computers	1
Desktop Computers	1
Personal Computers (PCs)	1
Apple Computers (Macs)	3
Laptops	6
Personal Computers (PCs)	6
Apple Computers (Macs)	8
Netbooks	9
Chapter 2: Computer Operating Systems	11
Microsoft Windows 98 and Windows 98 Second Edition Operating Systems	11
Microsoft Windows 2000 Operating System	11
Microsoft Windows XP Operating System	12
Microsoft Windows Vista Operating System	12
Microsoft Windows 7	13
Mac OS X version 10.5 (Leopard) Operating System	14
Mac OS X version 10.6 (Snow Leopard) Operating System	15
Chapter 3: Monitors	17
CRT Monitors	17
Flat Panel LCD Monitors	18
Widescreen Monitors	19
High-Definition Monitors	19

Chapter 4: Computer Peripherals	21
Mouse	21
Keyboards	22
Wireless Keyboard Desktops	23
External Storage Devices	23
External Hard Drives	24
Thumb Drives	25
FireWire Devices	26
Speakers	27
Chapter 5: Printers	29
Stand-Alone Printers	29
Networked Printers	30
Low-Volume Network Printers	31
High-Volume Network Printers	32
Color Network Printer	32
Multifunctional Printers/Copiers	33
Chapter 6: Scanners	35
Low-Volume Scanner	36
High-Volume Scanner	36
Chapter 7: Servers	39
Solo—File and Printer Sharing	39
Small Firm—File and Printer Sharing/Hosting Services	41
Database/Applications Server	43
Virtual Servers	44
Peer-to-Peer	47
Chapter 8: Server Operating Systems	49
Microsoft Windows Server 2003 Standard Edition	49
Microsoft Windows Small Business Server 2003 Standard and Premium Editions	49
Microsoft Windows Server 2003 Enterprise Edition	50
Microsoft Windows Server 2008	51
Microsoft Windows Small Business Server 2008 Standard and Premium Editions	52
Windows Server 2008 Standard Edition	52
Windows Server 2008 Enterprise Edition	53
X64 Operating Systems	53
MAC OS X Server “Leopard”	54

Mac OS X Server “Snow Leopard”	54
Linux-Based Operating Systems	54
Chapter 9: Networking Hardware	55
Switches	55
Entry-level and Intermediate-level Routers	56
Firewalls/IDS Devices	58
Racks	59
Cabling	60
Wireless Networking Devices	61
Chapter 10: Miscellaneous Hardware	65
Fire safe	65
Battery Backup Devices	66
Fax Machines	67
Backup Solutions	68
Smartphones	69
Chapter 11: Productivity Software	75
Microsoft Office	75
Corel Suite	77
Open Office	79
Adobe Acrobat	80
OCR Software	83
Voice Recognition Software	84
Chapter 12: Security Software	87
Stand-Alone	87
Anti-virus Protection	87
Anti-spyware Protection	88
Anti-spam Protection	89
Integrated Protection	89
Enterprise Versions	90
Anti-virus Protection	90
Anti-spyware Protection	92
Anti-spam Protection	93
Chapter 13: Case Management	95
Amicus Attorney	96
Time Matters	97
PracticeMaster	98

Rocket Matter	99
Others	100
Chapter 14: Billing Software	101
Manual Generation	101
Accounting Software	102
Billing Specific	103
Billing for a Mac	104
Integrated Packages	105
Chapter 15: Litigation Programs	109
Chapter 16: Document Management	111
DocuShare	111
iManage	112
Worldox	112
Acrobat	113
Web-based	113
Plain Folders	114
Searching	114
Chapter 17: Document Assembly	115
HotDocs	115
ProLaw	116
ProDoc	117
Chapter 18: Collaboration	119
Google Docs	119
Acrobat	121
Google Wave	120
Microsoft Word	121
SharePoint	122
Chapter 19: Remote Access	125
Virtual-Private Networking	125
GoToMyPC	126
LogMeIn	126
TeamViewer	127
Chapter 20: Mobile Security	129
Software	129
Encryption	130

Wireless	130
AirCard	131
Public Computer Usage	132
Smartphones	133
Final Words	134
Chapter 21: More for Macs	135
Hardware	135
AirPort Extreme	135
AirPort Express	136
Time Capsule	136
Apple Cinema Display	137
Apple Wireless Keyboard	137
Apple Wireless Mighty Mouse	138
