About the Authors	xvii
Acknowledgments	xix
Foreword	xxi
Introduction	xxiii

Chapter 1

Why Use the Internet to Locate Information? 1

1.1	The Lawyer's Duty to Google	1
1.2	Beware of the Reliability of Information on the Internet	3
1.2.1	Internet Source Credibility Checklist	5
1.3	Case Law: Will Judges Admit Evidence from the Internet?	6
1.4	War Stories: How Lawyers Have Used Information They Found on the Internet to the Benefit of Their Cases and Transactions	7
	Impeaching the Opposition's Credibility	7
	A Google Search Leads to a Settlement	8

Chapter 2

Introduction to Google 9

2.1	What Is Google?	9
2.2	Where Did Google Come From?	10
2.3	How Google Works	12
2.3.1	PageRank	12
2.3.2	Relevance	13
2.3.3	Organic Search Results	14
2.3.4	Searching Google's Index, Not the "Live" Internet	15

2.4	Personalizing Your Google Search Experience	16
2.4.1	Accessing Additional Features and Products via a Free Google Account.	16
2.4.2	Create a Google Profile to Claim Your Identity Online	18
2.4.2.1	Creating a Profile	20
2.4.2.2	How to Access Your Existing Google Profile and Edit It	22
2.4.3	Google Dashboard Helps You Keep Track of All the Google Services You're Using	24
2.5	Limitations of Google	26

Chapter 3

Basic (And not so Basic) Google Search Strategies: All You Need to Know to Become a Good Internet Researcher

27

3.1	Boolean Connectors.	27
3.2	Word Stemming	28
3.3	Phrase Searching	29
3.4	Proximity Searching.	30
3.4.1	Using More Than One Asterisk in a Search.	31
3.4.2	Using the Asterisk to Circumvent Google's 32-Keyword Limit	32
3.5	"Noise" or "Stop" Words	34
3.6	Punctuation in Searches	34
3.7	Capitalization	36
3.8	I'm Feeling Lucky	37

Chapter 4

Advanced Google Search Strategies: All You Need to Know to Become a Great Internet Researcher

39

4.1	Boolean Searches Using the Advanced Google Search Page.	41
4.2	Limiting Results to Specific File Formats: Locating Unexpected Documents Posted to the Web (e.g., Opposing Experts' Prior PowerPoint Presentations).	42
4.3	Limiting Results to a Specific Web Site.	44

4.4	Who's Linking to Whom? Determining Possible Business or Personal Relationships	46
4.5	Hidden Features of the Advanced Search Page	47
4.5.1	Date Search Restrictions	47
4.5.2	Usage Rights	48
4.5.3	Pinpointing the Location of Your Search Terms	49

Chapter 5

You've Got Your Search Results, Now What?

Understanding and Manipulating the Displayed Search Results

51

5.1	Indented Results	51
5.2	Google Cache	52
5.3	Search Within Results	53
5.4	Narrowing Results by Information Type	54
5.5	Narrowing Results by Currency	57
5.6	Altering the Way Results Are Displayed	59

Chapter 6

Google News

63

6.1	What Google News Covers	63
6.1.1	Google News Directory	63
6.1.2	Personalize the Google News Directory Home Page	65
6.1.3	Google News Search Engine: Basic Search	68
6.1.4	Google News Search Engine: Advanced Search	68
6.1.5	Google News Search Engine: Results from Basic and Advanced Searches	69
6.2	Google Alerts (Formerly Known as Google News Alerts): Keeping Current with Information About Clients, Your Firm, the Opposition, or Even Yourself	71
6.2.1	What Google Alerts Covers	72
6.2.2	How to Create a Google Alert	73
6.2.3	How Setting Up Alerts with Your Clients' Names as Keywords (or Phrases) Might Help You Avoid a Conflict of Interest and Even a Malpractice Suit	75

6.3	Google News Archive	76
6.3.1	Find Older Documents Online (Even Pre-1940)	76
6.3.2	What Google News Archive Covers	77
6.3.3	Searching Google News Archive: Basic, Advanced, and Timeline	77
6.3.4	Limiting Results Using the Advanced Google News Archive Search	78
6.3.5	Case Law Research Available for a Fee on Google News.	78

Chapter 7

Google Groups: Retrieving Information from Over One Billion Publicly Archived E-mail Messages 79

7.1	What Google Groups' E-mail Archive Contains	79
7.2	Basic Search Strategies	81
7.3	Advanced Groups Search Strategies	82
7.3.1	People-Finding Search Strategy Tips Using Advanced Groups Search: Search for a Message Authored by a Specific Person	83
7.3.2	Limiting Results to Specific Discussion Groups Using Advanced Groups Search	84
7.3.3	Limiting Results to a Specific Subject Using Advanced Groups Search	85
7.3.4	Other Advanced Groups Search Features.	85
7.4	Using Google Groups to Find or Background an Expert.	85
7.5	The Anatomy of a Google Groups Message	86
7.6	How to Unlock an Author's E-mail Address	89
7.7	How to Locate a Group to View Their Archives or to Join	92
7.8	Creating Your Own Google Group.	93

Chapter 8

Google Image Search: Locating Photos of Individuals, Products, and More 97

8.1	How Google Images Works	97
8.2	How to Access Google Images	98
8.3	Advanced Google Images Search Strategies.	98
8.4	Google Images Results.	99

Chapter 9	
Google Blog Search	105
<hr/>	
9.1	Locate the Latest in Personal Opinion 109
9.2	Keep Up to Date in Your Practice Area. 110
9.2.1	Receiving Automatic Updates from Useful Blogs You Find with Google Reader 112
9.3	Create Your Own Blog to Market Your Practice 118
Chapter 10	
Google Finance: Monitor Current Financial News on Public Companies and Market Trends for Due Diligence and a Competitive Intelligence Advantage	123
<hr/>	
10.1	How to Access Google Finance 123
10.2	The Anatomy of the Google Finance Home Page. 124
10.3	Stock Quotes. 126
10.4	Historical Stock Prices 129
10.5	My Portfolio 130
Chapter 11	
Google Glossary	133
<hr/>	
Chapter 12	
Google Translate	137
<hr/>	
12.1	How to Access Google Translate 137
12.2	The Anatomy of the Google Translate Home Page 137
12.2.1	The First New Feature: Typing Text to be Translated (“Quick-and-Dirty” Document Translation “On the Fly”) 138
12.2.2	The Second New Feature: So What if You Can’t Read the Language’s Characters or Don’t Have Them on Your Keyboard? 139
12.2.3	The Third New Feature: Text-to-Speech 140

12.3	Translate a Document from Your Computer (or Network, External Hard Drive, or Thumb Drive)	140
12.4	Translate a Web Site	141
12.5	Translated Search: Locate Pages in Foreign Languages—While Searching in English	143
12.6	Allow Visitors to Translate Your Web Site Into Another Language “On the Fly”	144
12.7	Word Translator: Translate from English to Your Language, One Word at a Time.	146
12.8	Translator Toolkit	149

Chapter 13

Google Books: Quickly Locate Useful Books, Magazines, and Legal Treatises, Statutes, Opinions, and Legislative Histories	151
---	------------

13.1	Where Does Google Books Acquire Books From?	152
13.2	How to Access Google Books	152
13.3	Advanced Book Search	153
13.4	Book Search Results	154
13.5	How to Navigate Through a Book Result	156
13.6	About This Book, Search Within This Book, and Other Features	160
13.7	How to Purchase a Book You Find at Google Books or Locate a Library That Owns the Book	161
13.8	My Library.	161

Chapter 14

Google Maps	165
--------------------	------------

14.1	Getting Directions to Far-Flung Deposition Locations	171
14.2	Local Searching: Find Restaurants and Hotels Near Far-Flung Deposition Locations	175
14.3	Street View	176

Chapter 15

Location-Based Google Search via Your Non-Web-Enabled Telephone (GOOG-411) 181

Chapter 16

Free Knowledge-Management Tools from Google: Desktop Search 183

16.1	Advanced Search	186
16.2	Cache	187
16.3	Previewing the Content of Documents the Desktop Search Returns	188
16.4	Removing Files from the Desktop Search Index	189
16.5	The Quick Search Box	191
16.6	Using Desktop Preferences to Control Desktop Search's Functionality	191
16.6.1	The Desktop Search Preferences Tab	192
16.6.1.1	Enable Content Indexing	192
16.6.1.2	Search Types	192
16.6.1.3	Indexing Plug-ins	193
16.6.1.4	Search Locations	194
16.6.1.5	Google Integration	195
16.6.1.6	Encrypt Index	195
16.6.1.7	Remove Deleted Items	196
16.6.2	Google Account Features Tab	196
16.6.2.1	Gmail	196
16.6.2.2	Search Across Computers	197
16.6.3	The Display Preferences Tab	198
16.6.3.1	Quick Search Box	198
16.6.3.2	Quick Find	199
16.6.3.3	Display Mode	199
16.6.3.4	Taskbar Gadgets Button	199
16.6.4	Other Preferences Tab	200
16.6.4.1	Improve Google Desktop	200
16.6.4.2	Safe Browsing	201

Chapter 17

Google Scholar: Locate Information from Academic Sources and Retrieve Free Case Law 203

17.1	Anatomy of the Search Results Page.....	205
17.2	Advanced Search	208
17.3	Preferences	209
17.4	Free Legal Opinions and Journals	211
17.4.1	Advanced Scholar Search for Free Legal Opinions and Journals	212
17.4.2	Google Scholar Case Coverage	215
17.4.3	The Anatomy of a Google Scholar Legal Opinions and Journals Results List.....	215
17.4.4	The Anatomy of a Google Scholar Case	217

Chapter 18

Google Apps: Free Collaboration Tools to Help Solos and Small Firms Compete with Big-Firm Technology Budgets 219

18.1	Gmail	221
18.1.1	Advantages of Gmail.....	221
18.1.2	Gmail's Web-based Inbox Interface	224
18.1.2.1	The Area Above Gmail's Message List	225
18.1.2.2	The Left-hand Column of Gmail's Web-based Inbox Interface.....	226
18.1.2.3	Spam	228
18.1.2.4	Additional Tools in the Left-hand Column of Gmail's Web-based Inbox Interface	229
18.1.2.5	Contact Manager	230
18.1.2.6	Task Manager	232
18.1.2.7	Additional Useful Elements of Gmail's Web-based Inbox Interface.....	233
18.1.3	Gmail Settings	234
18.1.3.1	Gmail General Settings	235
18.1.3.2	Accessing Multiple E-mail Accounts Through Gmail	237
18.1.3.3	Creating and Managing Labels for Your Gmail Messages	238

18.1.3.4	Creating Filters to Manage the E-mail Messages You Receive	239
18.1.3.5	Accessing Gmail Messages from Other E-mail Accounts or Software	240
18.1.3.6	Customizing Your Google Chat Experience	242
18.1.3.7	Customizing or Removing Web Clips and Ads from the Top of Your Gmail Web-Based Interface.	243
18.1.3.8	Add Experimental Features and Functions to Your Gmail Web-Based Interface	245
18.1.3.9	Accessing Your Gmail Messages Without an Internet Connection	246
18.1.3.10	Customizing Your Gmail Interface.	248
18.2	Google Docs	248
18.2.1	Google Documents	252
18.2.1.1	Sharing Documents in Google Docs	253
18.2.1.2	Tracking Changes to Google Documents	254
18.2.2	Google Spreadsheets	257
18.2.2.1	Sharing Google Spreadsheets	259
18.2.2.2	Tracking Changes Made to Google Spreadsheets	260
18.2.3	Google Presentations	262
18.2.3.1	Sharing Google Presentations	264
18.2.3.2	Tracking Changes to Google Presentations	264
18.2.4	Google Forms.	266
18.2.4.1	Creating Google Forms	266
18.2.4.2	Distributing Your Forms Publicly	267
18.2.4.3	Viewing the Results of Your Forms' Submissions	269
18.2.4.4	Sharing Forms with Collaborators.	270
18.3	Google Calendar	270
18.3.1	Adding Events to Google Calendar.	272
18.3.2	Searching for Events and Appointments in your Google Calendar	274
18.3.3	Customizing Your Calendar with Settings.	276
18.4	Google Sites.	279
18.4.1	Creating Google Sites	280
18.4.2	Creating and Editing Google Sites Pages.	282
18.4.3	Sharing Sites	287
18.4.4	Tracking Revisions to Sites	289

18.5	Google Wave	294
18.5.1	Anatomy of Wave	295
18.5.2	Creating and Editing a Wave	298
18.5.3	Tracking Changes in a Wave	300
18.6	Google Talk	300
18.6.1	Starting a Google Talk Video or Voice Chat	301
18.6.2	Google Talk Settings	301
18.7	Picasa	303
18.7.1	Creating New Picasa Web Albums and Uploading Photos	304
18.7.2	Sharing Picasa Web Albums	307
18.7.3	Customizing Picasa Web Albums Settings	309
18.8	Security and Privacy of Information Stored in Your Google Apps	311
18.8.1	What Does the Bar Say About Online Services?	312
18.8.2	What Does Google Say About Its Security?	313
18.8.3	Security Good Enough for Some Entities But Not Others	315

Chapter 19

Google Voice

319

19.1	Selecting Your Google Voice Number	321
19.2	The Google Voice Web Interface: A Unified Inbox	324
19.3	Placing Calls Using Google Voice (Using a Phone or via the Web)	327
19.4	Recording Incoming Calls	329
19.5	Customizing Google Voice	330
19.5.1	Voicemail & SMS Settings	331
19.5.2	Calls Settings	331
19.5.3	Creating Groups to Identify Callers	333
19.5.4	Let Visitors to Your Web Site Call You on the Phone (for Free)	334
19.5.5	Checking Your Bill	335
19.6	Importing Contacts from Other Sources	335
19.7	Searching for Messages	336
19.8	Privacy Concerns	338

Chapter 20	
Google Search Shortcuts	341
<hr/>	
20.1 Google Toolbar	341
20.2 iGoogle	344
Chapter 21	
Google SMS (Short Message Service): Retrieve Information via Text Messaging	347
<hr/>	
Chapter 22	
Google Earth—Now You Can Fly Under the Surface of Oceans	349
<hr/>	
22.1 Installing Google Earth	352
22.2 Anatomy of Google Earth Search Results	352
22.2.1 Using the Toolbar to Manipulate Your Map	355
Chapter 23	
Google’s Uncle Sam Search: A Specialized Search for Federal Government–Related Resources	357
<hr/>	
23.1 Advanced Search	359
Chapter 24	
Google Analytics: Free Traffic Statistics for Your Web Site (You Do Have a Web Site, Don’t You?)	361
<hr/>	
24.1 Find Out How Many People Are Visiting Your Web Site and How They Got There	363
24.1.1 Trends About Your Site Visitors	363
24.1.2 How Many People Are Visiting Your Web Site?	364
24.1.3 Where Are Your Site’s Visitors Coming From? (How Did They Find Your Site?)	368
24.1.4 What Are They Looking At?	371

Chapter 25 Advertising Services from Google 375

- 25.1 AdWords 375
 - 25.1.1 Creating Ads 379
 - 25.1.1.1 Campaign Settings 380
 - 25.1.1.2 Creating the Ad Content 384
 - 25.1.2 Advertising on Sites Other Than Google 386
 - 25.1.3 Tracking Your Ads' Performance 389
- 25.2 AdSense 390

Chapter 26 Google's Web Browser: Chrome 391

- 26.1 Installing and Customizing Chrome 392
- 26.2 The Omnibox: How to Use the Address Box as a Search Box ... 393
- 26.3 Other Features Located on the Address/Omnibox Bar 394
 - Back-and-Forth Arrow Icons 394
 - Circular Arrow Icon 394
 - House Icon 395
 - Star Icon 395
 - Page Menu Icon 395
 - Wrench Icon 396
- 26.4 How to Quickly Revisit Web Pages Using Tabs
or Thumbnails 398

Chapter 27 Google Knol: Experts Sharing Their Knowledge, One Unit at a Time 401

- 27.1 Who Can Author a Google Knol? 402
- 27.2 Are Knol Authors Verified? 402
- 27.3 How to Access Google Knol 403
- 27.4 How to "Advance" Search Google Knol by Using
the Search Toolkit 404
- 27.5 The Anatomy of a Knol 407
- 27.6 How to Author a Google Knol 408
- 27.7 AdSense Participation at Google Knol 409
