

LAWPRO® Webzine

is now available on

It's finally here:
TitlePLUS/Unity
integration

We're pleased to announce TitlePLUS policies are now available through the Unity® platform.

The new TitlePLUS is not just a facelift – it's completely reengineered

It's a one-stop process to obtaining title insurance that busy legal professionals expect. In addition to the comprehensive legal service coverage TitlePLUS is known for, it offers:

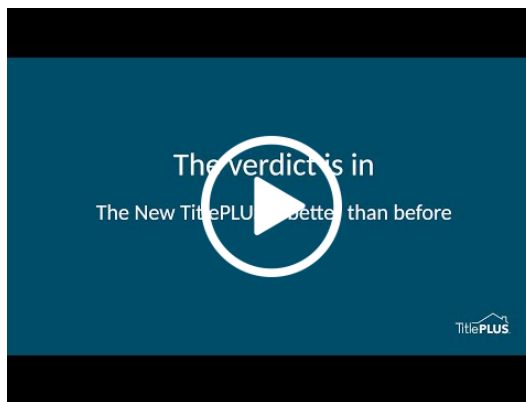

- A new intuitive website that's easy to use
- TitlePLUS Legal Counsel Fee
- One-step issuance
- Availability on all browsers
- Separate policies for owners and lenders for clarity
- Fewer administrative roadblocks, easy sign-up
- A simplified underwriting process
- A focus on customer service

Look for the TitlePLUS tab on the Unity platform and enjoy a seamless experience.
